## Licensed Psychotherapist Opening at Kind Therapy in Fitchburg, WI

Are you a licensed therapist interested in making a lasting impact in your client lives and community by working in a small, supportive, and personal environment? We need you to enhance our fun, supportive, and positive-minded group of clinicians!

Kind Therapy, a small group private practice in Madison, is seeking a full-time, fully licensed psychotherapist to join our dedicated team. Ideal candidates will have experience and training providing child/family therapy and trauma-specific treatment. Candidates must be initiators, well-organized, collaborative, and able to manage their own schedules. Kind Therapy receives a steady stream of new client referrals and is paneled with Madison's largest HMO insurances.

We are currently looking for therapists or counselors who are trauma-informed, anti-racist, social justice minded, and ready to be a part of a dynamic and collaborative team. Our strongest need is for a child therapist who can offer in-person after school appointments at least 3 days per week. The remaining hours can be hybrid/virtual. We will support you with maintaining a positive work-life balance, building strong community partnerships and connections, and enhancing your clinical skills, all while making a lasting impact in the lives of others. If you want to be part of our work family, please apply!

### We provide:

- Competitive compensation (W2 employee). Full time clinicians can earn over \$100,000 annually
- Retirement plan with up to 3% company matching
- Employer sponsored health insurance plan
- Autonomy to choose and manage your own schedule (hybrid work options)
- Paid group consultation meetings with our team
- Annual training allowance
- Supportive team environment
- Steady stream of new client referrals to fill your caseload
- Comfortable, accessible, well-furnished window office space
- Library of clinical tools including a wireless EMDR kit, play therapy materials, and books
- Credentialing services and a medical biller to coordinate client benefits and insurance payments
- Access to an easy-to-use Electronic Health Record system, with integrated billing and telehealth

### Candidate Requirements:

- Current State of Wisconsin independent license as a PhD, PsyD, LCSW, LMFT or LPC
- Willingness to schedule a minimum of 29 client hours per week, with minimum of 25 appointments kept per week (full time)

- Willingness to provide in-person therapy services at our Fitchburg office (some remote telehealth hours are also okay)
- Commitment to providing inclusive, culturally sensitive counseling services
- Training and experience providing child/family therapy and commitment to collaborating with parents/guardians
- Strong organizational skills including ability to manage caseload, respond to client calls and messages in a timely manner, and complete administrative requirements and documentation in a timely manner
- Strong understanding of family systems theory

**Preferences:**

- Training a trauma-specific treatment modality such as EMDR, Brainspotting (BSP), Somatic Experiencing (SE), Internal Family Systems (IFS), Child Parent Psychotherapy (CPP), or Trauma Focused Cognitive Behavioral Therapy (TFCBT)
- Training and experience providing perinatal mental health services
- Training and experience providing couple's therapy
- If providing perinatal work, completion of Postpartum Support International's (PSI) components of care training or equivalent within 6 months of hire
- Fluency in Spanish

**Who we are:**

Kind Therapy's mission is to help adults, children, couples, and families achieve their goals and true potential for growth and authenticity. We provide trauma-informed, culturally sensitive counseling for adults, children, partners, and families. We use evidenced-based approaches and conceptualize client's needs using a systems-theory lens. We are committed to reducing stigma around mental health needs, and we work with all clients from a strengths-based and humanistic approach. We value being accessible to our community, and we are committed to providing high quality behavioral health care in Dane County.
